

Hello loyal Trail of Fear and Trail of Cheer followers!

As our season approaches, we are excited to roll out some new features of our all new attractions! Of course, like everywhere else, things are going to look a lot different. We are taking extra measures and precautions this year in response to the current situation. Our commitment to the safety of customers and staff has not changed - in fact, we are ramping up extra efforts to keep everyone healthy. Lastly, we are offering some killer savings on tickets throughout our season.

SAFETY:

- It is suggested for customers to wear masks when inside any attraction at the Trail of Fear Haunted Scream Park or Trail of Cheer attractions and walkways.
- Please try and maintain 6'-8' distances between your group and others. Masks are not required but are strongly recommended if you feel the need to wear a mask.
- Additional hand sanitizing stations in numerous areas throughout the Trail of Fear Scream Park and Trail of Cheer and will be available for customer use.
- If you are sick or have any symptoms of concern, please do not visit the Trail of Fear/Trail of Cheer until your symptoms have been clear for 72 hours.
- Your temperature may be taken. If your temperature is above 100 degrees, you will not be allowed to enter the Trail of Fear or Trail of Cheer.
- We monitor CDC requirements and receive daily updates from the Oklahoma State Health Department and will continue to follow all guidelines as required.
- Waivers for all entrants must be filled out on your own phone or manually at our check-in station. Sign it ahead of time at on our website. You ***WILL NOT BE ABLE TO ENTER*** without a signed waiver.
- When in each attraction queue line please observe and follow the social distance markers.
- A Contingency and Safety Plan has been developed and will be used throughout the rest of this year.

TICKETS:

- We are offering general admission and are no longer doing timed reservations for our general admission tickets.
- Once you arrive at our front gate entrance, you will be greeted by our Ticketing Staff.
- We advise to arrive early each night as the Christmas Around the World Holiday Trail Ride and Scrooge start at 6pm and run continuously and end each night with our last groups 8:45pm.
- Waivers are still required to enter our attraction due to our size.

We are doing our best to remain flexible during these times, and request that you do the same. We expect that while things may be different, we are passionately dedicated to you, and our community, and to keeping everyone safe. We cannot wait to see you soon and look forward to a fantastic season! Thanks for your loyal dedication, and the many messages asking when we will open. We are committed to staff and guest safety and excited to show everyone all our changes.

Thank you for your continued support,

The Trail of Fear and Trail of Cheer
